IMPORTANT NOTICE!!

We have allotted ample time for each break over the school year. Days immediately before and after vacations are “critical” days, meaning that **students may NOT be absent** on those days. Please plan trips abroad for the **summer** months (after the last day of school, and before the first day of school of the following year). This policy is in place for your daughter’s benefit as well as for the benefit of Temima High School as a whole.
