

## חמש מגילות - גב. פרנס

### Goals:

The objective of the class is for the students to have a familiarity with all five מגילות.

The class will be starting with קהלת, concentrating on applying the goals and morals of שלמה המלך to our lives.

We will then delve deeply into the well known story of Megillahs אסתר. The class will then be focusing on the beautiful relationship between בני ישראל and ה' as described in שיר השירים.

We will finish off with an overview of איכה and רות.

### Grading:

Participation.	50%
Tests	20%
Hmwk	10%
Final	<u>20%</u>
	100%

### Important things to remember:

Students are required to have all their materials at the beginning of every lesson. The absence of the Megillah will be considered a tardy for that class. The final grade will reflect preparedness for class.

Each girl will be assigned a Megillah at the beginning of the year. The student is responsible for that sefer and must return it at the end of the year. A charge will be assessed if the sefer is not returned.
