Mission, Beliefs and Goals

Our mission is to enable each girl to reach her full potential as a committed, G-d fearing Jew and a productive member of society.

Beliefs Statement

1. Student learning, character development, individual dignity, and the creation of a Torah environment are the primary focus of all school decisions.
2. Temima teachers inspire students in areas of academic knowledge, personal responsibility, and commitment to the well-being of others.
3. Students are provided an academic environment defined by intellectual rigor and the highest academic standards.
4. Students are valued individuals who require a variety of instructional approaches and diverse opportunities to demonstrate their achievements in learning.
5. Providing challenging expectations will increase individual student performance.
6. Co-curricular activities that promote team building, relationship skills, and ethical behavior and that encourage the student's musical, artistic, dramatic, athletic, and organizational skills are vital to the school's educational philosophy.
7. Self-esteem is built when a student makes significant progress in addressing her intellectual, emotional, and spiritual needs through instruction in areas such as academic studies, health/fitness, relationship skills, and mussar (ethics).
8. Teachers, administrators, parents, and the community share the responsibility for advancing the school's mission.
9. We are committed to continuous growth to enable students to

become confident, self-directed, lifelong learners.

Our goal (vision) is to prepare young women

- to live a life of service to G-d.
- for the highest levels of university education and Judaic Studies.
- for the career of their choice.
- to build a Torah home.
- to respect and value all people as being created in the image of G-d.
- to establish healthy relationships.
- to navigate the stages of womanhood in good health.
- to be leaders in the Jewish and broader community.
- to take responsibility for the future of the Jewish people.
- to live as Torah Jews even while involved in the secular world.

Temima graduates will have received

- an excellent general studies education that prepares them for entrance into college, provides them with practical life skills, encourages a lifelong love of learning and enables them to pursue the career of their choice.
- an excellent Torah education that prepares them for the meticulous observance of mitzvos, provides them with skills for self-study, instills within them a commitment to lifelong growth, inspires them to revere G-d, provides them with a rich understanding of Jewish history and their place in it and gives them a broad, deep base of Torah knowledge that augments all of the above.

Arrival and Dismissal

Signing In/Out

Attendance is taken prior to Davening Shacharis each morning. If a student is not present when attendance is taken, the student needs to make sure to sign in in the main office as soon as she gets to school. In addition, the student must make sure to sign out any time she leaves campus during the day, and sign back in immediately upon her return.

Students may not leave campus during free periods.

If a student must leave campus during the day, a parent contact must be received by Temima before the student may leave. The student needs to sign out when she leaves school for the day. We rely on the sign out sheet to know who is in the building in case of emergency. Students who do not sign out when leaving campus or do not sign back in upon return will receive a demerit.

Lunchtime

Students are free to leave campus during lunch **as long as each student returns to get her books ready and be in class on time**. The student must refer to her personal schedule for her designated lunch period(s) each day.

Student Driving

Temima is not responsible for student drivers on or off campus, or for students who are driven to and from school by other students. It is imperative that all student drivers adhere to any/all posted traffic signs in the school parking lot regarding speed limit and direction of traffic flow.

Students may not drive on official school outings or activities.

Student Parking

Any student wishing to park on campus must register her vehicle in the school office and obtain a parking pass. Due to limited availability for parking, students who live within walking distance of school are strongly encouraged to walk. Faculty and staff will be given priority for parking spaces. If a student does drive to school, she must park in the Beth Jacob lot in the spaces facing LaVista Road.

The Temima lot is reserved for faculty and staff only.

Cell Phone Policy

We want a student's mind and heart with us! Cell phones and other electronic devices (ipods, MP3 players, e-readers, tablets, etc.) are not permitted on campus during the school day (7:55 am - 5:35 pm). Students bringing cell phones to school will be required to check them in upon arrival. If a student does not have a cell phone, or will not be bringing her cell phone to school, we must receive notice of this from the student's parents in writing. Phones may be checked out if the student leaves campus at lunchtime and checked back in upon return.

There is a phone available in the Temima office for student use. Messages received for students will be posted on the bulletin board in the main office.

Cell phones found on campus will be confiscated and returned at the end of two weeks upon payment of a \$35 fine. Other prohibited equipment found during school hours will be confiscated for **1 week** and held for parent pick-up and will incur a \$25 fine. Recurrent infractions will result in the device being held until the end of the semester.

Please note: Should a device be confiscated, Temima reserves the right to review the most recent outgoing/incoming calls and texts.

Attendance

Regular attendance at school is imperative to a student's success in high school. Absences, whether excused or unexcused, will hinder the student's performance in the classroom, so students are encouraged to make every effort to be at school on time.

Absences which are recorded in Jupiter will be printed on transcripts. Please remember seminaries and universities are interested in student attendance and the number of absences when making admission decisions.

School hours

Temima cannot be held responsible for the safety of any student on the school premises prior to 7:45 am or after 5:30 pm (2:30 pm on Fridays).

Monitoring attendance

Attendance will be recorded in Jupiter. Parents and students can track their attendance by logging in to Jupiter. The link can be found under the parent and student tabs on the Temima website or by visiting <https://login.jupitered.com/login/>. Each student will be given a unique login at the beginning of the school year. Students are not able to access Jupiter in school.

Davening

Davening periods (Shacharis and Mincha) are treated in the same manner as classes. Everyone is required to attend and must arrive on time. Students who miss a significant number of Davening periods may be subject to Demerits or other consequences.

Each student will receive three passes per semester to allow the student to daven Shacharis on her own and arrive in time for first period. Keep in mind that recurrent morning absences may result in the loss of Davening pass privileges.

Tardy

Shacharis:

School begins when Shacharis begins. The student must be seated before the 8:00 am bell, which is when attendance is taken. We recommend the student arrive **no later than 7:50 am** so that she will be able to get her books ready for the day.

Class:

It is important that students come to class on time. If a student is late, she will be marked **TARDY**. The student may be marked absent if she misses more than 5 minutes of class. If a student arrives in class with a tardy slip signed by a teacher or an administrator, she will be considered “excused.” All other tardies will be considered unexcused. **Questions about tardies must be resolved with your teacher within one week of their occurrence.**

Three unexcused tardies = one demerit; 3 demerits = 1 detention

Excused Absences

<p>Critical Days: The day before or after a vacation/holiday is known as a critical day. Students may not miss critical days.</p>
--

Appointment: On occasion, a student may need to miss a class or two for an appointment. When the student returns to school, she must make sure to bring back a note from **the doctor**, with the **date and time of the appointment**, in order to be excused.

Illness: If a student is sick and needs to stay home from school, make sure to have her parent call or email the school office **by 8:30 am** to let us know that you will be out in order to have the absence excused. Parents must call in each day that the student is sick.

Illness in the middle of the day: If a student is feeling ill in the middle of the school day and needs to go home, the student must contact her parent, and her parent must give permission to the office. Students who

leave without permission will be considered unexcused.

Simchas: We understand that students may need to miss school for the simcha of a **sibling**. **All simcha absences should be arranged with the school administration as soon as the simcha is scheduled by completing the ‘Request for Excused Absence’ form located in the front office.**

Simcha absences will be excused according to the following basic guidelines:

Sibling Bris	½ day
Sibling Bar Mitzvah	1 full day
Sibling Wedding	2 full days

Seminary Interviews: Seniors will be permitted one full day of absence for seminary interviews. Interview absences must be scheduled at least one week in advance by submitting the ‘Request for Excused Absence’ form.

Driver’s License/Permit: Students needing to miss school to obtain a driver’s license should make arrangements at least one week in advance by submitting the ‘Request for Excused Absence’ form. DMV proof of attendance forms may be requested at that time. These absences will be allotted 2 periods, twice/year. Students needing additional retesting will need to do so outside of school hours.

Other Absences: For any other absence, you must fill out a ‘Request for Excused Absence’ form. Permission will be granted at the discretion of the administration, taking into account the student’s attendance record and academic standing.

After receiving permission from the administration, students should always notify their teachers of anticipated absences, and ask the teachers for work that will be covered during their absence.

Boarders: Boarders must adhere to the Boarder Calendar. Extra time off will be considered unexcused.

Unexcused Absence

Any absence other than one for an appointment, illness, or approved requested absence will be an **UNEXCUSED** absence. A test missed due to an unexcused absence may not be made up.

Loss of Credit

Temima is committed to a full educational program which is contingent on state mandated clock hours. A student who does not fulfill our clock hour requirements in a particular course is in jeopardy of losing credit for the course. Excessive absences either **EXCUSED** or **UNEXCUSED** over the course of a year may result in loss of credit for a particular course. A student who loses credit may have repeat the course through an accredited agency at the parents' expense. In case of excessive illness, the school may provide credit recovery options. All of the above will be dealt with at the discretion of the administration. Please refer to the following chart below for clarification on the number of absences and the loss of credit:

# class periods per week	# of absences leading to loss of credit
5 or 4	15
6 (AP), 3, or 2	9
1	5

Non-Emergency Procedures

Non-emergency medical procedures resulting in long-term student absence (ex. removal of wisdom teeth), should be scheduled during school vacations.

Missing Tests

If a student misses a test due to an excused absence, the student must make sure to arrange with the teacher to make up the test within one week

of her return to school to avoid having points deducted from her grade. Tests can be taken during free periods, lunch, or after school. Make-up tests will be supervised in the office and maintain the same time allowance as the original exam.

School Decorum

Dress Code

Our dress code is designed to reflect the importance of the learning that goes on within the walls of Temima, while still demonstrating the poise, individuality, and grace of each student.

Students out of dress code will be notified and may be asked to change in the office or sent home for proper garments. Be aware that class time missed due to dress code infractions will be unexcused. Students with repeat infractions may also incur additional penalties.

Please see table overleaf for dress code specifics.

School Cleanliness

Hallways:

- Hallways must be kept clear of backpacks and personal items

Student Lounge/Lunch-Room:

- Trash must be placed in waste baskets
- Clothing must be stored in lockers
- Coats may be hung on the coat rack
- Food containers must be removed or disposed of after lunch
- There should be no evidence that a student was present after she leaves

Each student is responsible for cleaning up after herself after eating lunch or snack. Spills in the microwave must be wiped up. It is the responsibility of each student to dispose of food wrappers, soda cans or bottles, water bottles, cups, utensils, etc. Food may not be left on counters after lunch.

If there are any food items, including water bottles or food containers left in the building, they will be disposed of nightly.

Lost and found items will be collected and put in the bin in the student lounge. Unclaimed items will be disposed of weekly.

Visitors

For security purposes, all visitors to the school campus are required to check in at the front office. This includes parents who have appointments with administrators or teachers.

NO PARENT, SIBLING, OR VISITOR IS ALLOWED INTO A CLASSROOM WITHOUT PRIOR PERMISSION FROM THE SCHOOL ADMINISTRATION.

FOR SAFETY REASONS, STUDENTS MAY NEVER OPEN THE DOOR

OR HOLD THE DOOR OPEN FOR ANYONE ENTERING THE BUILDING.

Lockers

Each student will be assigned a locker. The school reserves the right to open and inspect the lockers at the discretion of the administration.

Students store their belongings in the lockers at their own risk. The school assumes no responsibility for loss or damage to items stored in the lockers. **It is recommended that valuables not be stored in the lockers unless the lockers are closed and locked.** If a student chooses to lock her locker, she will be required to provide the locker combination to the school office.

Students are permitted to go to their lockers during designated lunch/break times ONLY.

Textbooks

Textbooks are the property of Temima High School. You are responsible for keeping books in good condition. If the book assigned to you is lost, damaged, or stolen, it is your obligation to pay for that book before a replacement is supplied. If you do not return a book, or return it in an unusable condition, your report card and/or transcripts will be withheld until the book is returned or payment is received.

Chromebooks

Each student is assigned a Chromebook for use during school hours. Student logins are distributed at the beginning of 9th grade. Students are permitted to use their Chromebooks **upstairs only**. Each student is fully responsible for her own Chromebook, no matter who is using it. Students should not share their Chromebooks with another student at any time, for any reason.

In the case of Chromebook damage, the student assigned to the ChromeBook will be responsible for the cost of repair or replacement as necessary, up to \$300.

Students are expected to take proper care of their devices, and to return them to their cases when not in use. Chromebooks must be returned to the charging carts and **plugged-in** when not in use.

A school printer will be available for limited printing of school assignments from Chromebooks in the library.

Library

Aside from reference books, students are welcome, and encouraged to check books out for assignments or their enjoyment. Books may be checked out for two weeks. A fine of \$.05 per day will be imposed for each day the book is not returned beyond the due date. **Books may not be taken from the library without checking them out in the office.** You may renew a book that is due if no one else has requested it. **Reference books may NOT be removed from the library.**

The library is intended to be a workspace for students. Students are encouraged to use the library for research and other school-related assignments. Silence must be maintained in the library at all times.

Computers and library books are valuable and easily damaged. The cost of fixing/replacing these items is very high. **Therefore, food and drink are not permitted in the library under any circumstances.**

Incident Reporting

There are certain behaviors that are incompatible with the goals and standards of our school, and a Jewish upbringing, and are therefore always prohibited. Immodest behavior between students, teachers/staff and students, and teacher/staff and each other is not tolerated. Should any student witness or be part of any such behaviors, she should report to the administration and fill out an incident report.

Merits, Demerits and Detention

Merits

We want you to know that we recognize and appreciate all your efforts. You will earn merit points for positive behaviors and accomplishments. Here are some of the ways to earn merit points:

- Complete all homework in a class
- Participation in Chesed Program
- Measurable Shifts/ Positive Reinforcement
- Random Acts of Kindness
- No dress code infractions
- No demerits
- No unexcused tardies

Merit points will be counted at the end of each quarter to be redeemed for rewards. Merit points may not be carried over from one quarter to the next.

Demerits

One of the greatest lessons we all have to learn is that our actions, both positive and negative, have consequences. Behaviors not in line with school expectations will result in Demerits. Serious offenses, chas v'shalom, will be dealt with separately and may even lead to suspension or expulsion.

Following is the list of six offenses that result in demerits, and the number of demerits each incurs [in brackets]:

1. Being disruptive [1] - This includes disruptive behavior inside as well as outside the classroom, e.g., during assemblies, field trips, in hallways, and common areas, etc.
2. Being disrespectful to adults and/or fellow students [1] - This includes failure to follow classroom procedures and instructions, and untruthfulness.

3. Unexcused absence from class [2] - This includes unauthorized absence at school-wide events. Unexcused absences from additional classes will accrue as 1 demerit per class. A full day of unexcused absence will result in 6 demerits or 2 detentions.
4. Unexcused absences from Mincha will result in [1] demerit.
5. Leaving campus without permission [1] - This includes leaving without signing out or not signing back in.
6. Eating/drinking (except water in clear, closed containers) upstairs [1]. Chewing gum is not permitted anywhere on campus.

Detention

Three demerits will result in detention.

Detentions will be held after school. You will be required to serve detention during the week immediately following the accumulation of 3 demerits or the receipt of a detention slip. Detention slips indicating date and time of detention will be placed on the student's locker no later than 24 hours prior to detention, **and must be returned with parent signature** at time of detention. Failure to serve detention when assigned will result in one additional hour of detention.

Students will be required to pay for detentions as follows: \$5 for the 1st detention, \$10.00 for the 2nd detention, etc. A student who serves one detention, and remains detention-free for the remainder of the school year will be reimbursed the \$5.

Students earning more than 2 detentions may lose school privileges in addition to serving detention, ie. leaving campus for lunch.

Communication

Parent-Teacher Conferences

Formal Parent-Teacher conferences are scheduled at least once during the school year as indicated by the school calendar. All parents should have the opportunity to confer with their child's teachers at least once during the first half of the school year and are encouraged to take advantage of this opportunity.

Information about scheduling appointments for these conferences will be issued during the school year. However, a special conference can be arranged by calling the office to request one at any time.

Direct Communication with Principals and Teacher

Students should contact their teacher before or after class to arrange an appointment.

If at any time a student would like to talk with the administration about a problem or concern, she should not hesitate to make an appointment with the front office to see them in person. All concerns should be shared with us before they become serious and more difficult to deal with.

Jupiter

Students and parents can also track grades in Jupiter. The log in and links are the same as for attendance (see page 5). Students do not have access to Jupiter while in the Temima building.

Snow Days

In the unlikely event that Temima needs to be closed due to weather, school closing information will be posted on WSB-TV and www.wsbtv.com, and will also be disseminated via email through Jupiter. Days that the school is closed may have to be made up in order for students to get full credit for their courses and for the school to maintain its accreditation.

Fire, Tornado, and Safety Drills

Fire, tornado, and safety drills, held periodically, are important and necessary exercises. We cannot overstate the importance of preparedness in case of emergency, G-d forbid. All students, faculty, and staff are expected to treat these drills with the utmost seriousness and to maintain complete silence while evacuating the buildings. Teachers will provide drill instruction and drills will be repeated until they are conducted properly.

Health

Students requiring first aid will be referred to the school office. First aid is limited to cleaning and bandaging wounds. In case of emergency, G-d forbid, it is our procedure to call 911 first, and contact the parent second.

Grading and Academic Standards

Grading Policy

Scholastic grades will reflect your performance in class and on tests, quizzes, homework, and other assessments. Grades will be updated weekly in Jupiter.

The appearance of “Inc.” (Incomplete) on a report card means that work/testing is pending. The teacher will write an action plan with the student detailing the work that must be completed and the date by which it must be completed. Failure to meet the deadline will result in failure in the course. **Parents should monitor “Incompletes” to ensure that credit is received for the course.**

Any student who receives an “F” on her report card must arrange with the Principal to make up the deficiency. This can be done by attending an accredited summer school, by studying with an approved tutor and taking final exams, or by contracting an individual plan for completing the course. Please be advised that all of these options will result in additional tuition fees and/or expenses for the student. Any student with two or more failures will be placed on academic probation.

Exams

Midterm exams, which are comprehensive of all material covered during first semester, are given during the last week of the semester. Cumulative exams will be administered at the end of the year. Learning to cope with the academic and emotional rigors of an exam period is an important part of a quality high school education. Policies and procedures for exams will be distributed each semester.

For each semester course, students must pass the exam (a grade of 65 or higher) to ensure passing that course.

Note: The dates for exams appear on the school calendar. Please use this as an opportunity to plan out of town visits during periods between

semesters. **No one may be excused from a final exam for ANY reason (barring an emergency, G-d forbid). Finals cannot be rearranged for individual students.**

Report Cards and Progress Reports

Report Cards and Progress Reports are the primary means of communication between the school and parents. They represent four assessments of student achievement and progress and may include comments and suggestions. Progress Reports (at the end of each quarter), and Report Cards (at the end of each semester) will be distributed according to a schedule indicated on the school calendar. Parents should pay careful attention to them.

Honor Roll and Honor Roll with Distinction

Honor Roll:

- Attain an average of at least 3.5 in the semester
- A minimum of 8 core courses
- No incompletes
- Passing grades on all midterm/final exams
- No detentions/dress code infractions
- Satisfactory Attendance in all classes

Honor Roll With Distinction:

- Meet all Honor Roll requirements **AND**
- Attain an average of 3.75 in the semester
- Completion of required hours of Community Service

Grade Point Average

Our GPA structure is designed to correspond with the Georgia Department of Education standards. This alignment ensures a smooth transition for those students wishing to continue their education at a state institution.

Numerical Grade	Letter Grade	Standard Scale	AP Scale
98-100	A+	4.0	4.5
93-97	A	3.8	4.3
90-92	A-	3.6	4.1
87-89	B+	3.3	3.8
83-86	B	3.0	3.5
80-82	B -	2.7	3.2
77-79	C+	2.3	2.8
74-76	C	2.0	2.5
70-73	C-	1.5	2.0
65-69	D	1.0	1.5
<65	F	0.0	0.0

Academic Integrity

It is expected that you will make every effort to complete your assignments with integrity.

Should cheating or plagiarism be discovered, potential consequences may include (but are not limited to):

- Requirement to redo the assignment
- Receiving a '0' on the assignment
- Loss of one letter grade (for the quarter) in affected subject area
- Loss of credit in affected subject area
- Suspension

Graduation Requirements and Curriculum

Students who complete Temima’s academic program in its entirety will receive one transcript which includes Judaic Studies and General Studies courses. The GPA will be inclusive of all courses. You will also receive two diplomas - one secular, and one Judaic.

In accordance with state standards, all students who complete the secular graduation requirements will receive a college preparatory diploma. Those students completing high school with a 3.5 (or higher) cumulative GPA and 3 or more years (or the equivalent) of a foreign language will be eligible to receive their diploma “with distinction.” Course load and curriculum may be modified to accommodate individual student need.

INTERNET POLICY

At Temima, we recognize that the Internet can be a useful tool in education, including research and communication via e-mail. We also offer online courses, in order to allow students to tailor our curriculum to meet their individual needs.

Internet use at Temima is monitored in a variety of ways. First, our firewall is “white list only” which means that students are only allowed access to an approved list of websites. Secondly, teachers monitor Internet use during class time. Finally, the administration has access to a record of all uses of the Internet, attached to a Temima user log in.

Any use of the Internet that is not explicitly for a school-related activity will be considered inappropriate use of the Internet.

Temima e-mail may only be used for school related projects and activities as well. Temima reserves the right to monitor e-mails for appropriate use. Any use of e-mail between students deemed inappropriate may also result in email privileges being suspended.

Using the Internet appropriately is an important life skill in today’s society. We offer Internet access for this purpose. Students must learn the skills to utilize this valuable tool without damaging themselves or those around them.

Any inappropriate use of the Internet may result in a student’s access being taken away. The student will still be required to complete Internet based assignments, but must find another way to access the Internet, with parent monitoring.
